June 2015

Dear Students, Parents, and Guardians,

The Grade 7 teachers are looking forward to a great 2015-2016 school year. One way to foster success is for students to come to class each day prepared with all the necessary supplies. With this in mind, you are being provided with a list of materials that will be needed for next year. There is a list of general supplies that will be needed for multiple classes as well as subject specific requirements. Many of the supplies from grade 6 should be saved and used for grade 7.

We are aware that the cost of preparing for a new school year can be overwhelming. Having the opportunity to take advantage of all the ***back-to-school sales in July and August*** should be helpful. Listed below are some of the stores where you can get great deals on school supplies.

- Ocean State Job Lot
- Walmart
- Target
- Walgreens
- Staples, Office Depot
- Dollar Stores

In the 1st weeks of school gently-used school supplies are available for very reasonable prices after school in room 217.

See you in September, well rested and ready to start seventh grade.
