

May 1, 2016

Dear Atlantic Middle School Families,

The final phase of MCAS testing is upon us. Listed below is the schedule for the Math and Science MCAS tests. It is especially important for all students to attend school on time during each day of testing. With everyone's involvement and support, Atlantic will continue to meet and exceed the challenges of MCAS testing.

MCAS Schedule

Wednesday 5/11	Grade 8 Math Session 1
Thursday 5/12	Grade 8 Math Session 2
Tuesday 5/17	Grade 6 Math Session 1
	Grade 7 Math Session 1
	Grade 8 Science Session 1
Wednesday 5/18	Grade 6 Math Session 2
	Grade 7 Math Session 2
	Grade 8 Science Session 2

The Drama Club will be presenting the *Little Mermaid* on Thursday May 5th and Friday May 6th at 7:00 p.m. and also on Saturday May 7th at 2:00 p.m. in the Auditorium. The production is a result of students and staff coming together to create something very special. Come out and enjoy our very talented students on stage. So much of our students' effort and hard work comes to fruition at this time of the year: MCAS testing, drama productions, art shows, concerts, and athletic events to name a few. As spring gets busier and hectic, remind your children to take some time to remember all that they have accomplished this year and be proud! Thank you for your continued support. As always, please call if you have any questions or concerns.

Sincerely,

Maureen C. MacNeil
Principal
Atlantic Middle School
