Dear Atlantic Middle School Families,

On behalf of the Atlantic Middle School staff, I would like to welcome you and your child to the new school year. The Atlantic Middle School community takes pride in providing a quality education and safe environment for all students. As a staff, we will do our best to make Atlantic Middle School a place where children want to come to learn and where families are supported.

Excellent schools are a result of a close partnership between the students, families, staff and community. The Atlantic Middle School Open House will be held on Thursday September 17th from 5:00-7:00 p.m. This evening is an opportunity for you to meet your child's teachers and learn more about the academic programs and opportunities at Atlantic Middle School. It is my belief that educational goals are best met when there is a strong level of communication between home and school. There are many ways for you as parents and families to be involved in our school. Information about the PTO and School Council will be available at the open house.

I sincerely hope that the coming school year is filled with the promise of academic and social growth for all Atlantic Middle School students. The academic, social, and emotional well being of the students is always our number one priority. I am indeed fortunate to be Principal of an outstanding school with dedicated and caring staff members, families, and students. Please do not hesitate to call me if you have any questions or concerns.

Sincerely,

Maureen C. MacNeil
Principal
