

You are Invited!

Thursday, March 13th, 2014

6:30 p.m.

Please join us in supporting our 8th grade students as they present their science fair projects! Our eighth graders have been investigating science problems and are ready to show off their hard work.

Volunteer student judges from NQHS will help choose our winning projects.

Come celebrate with us if you can!

Public Viewing will be 6:30-7:00 p.m.

in Atlantic's gymnasium.

**Thank you for you
continued support of
Atlantic's science
program!**
