Aliza Schneller, *Acting Principal*

May 24, 2019

Dear Atlantic families,

It is hard to believe that this school year is winding down. I will be sending you the final – June – calendar next week! As we finish up this year and start reflecting on our successes, it is a good time to start thinking about getting ready for next school year before we get caught up in fun summer activities.

Our teachers have worked with 1st Day School Supplies to offer you the opportunity to purchase school supplies for next year. 1st Day School Supplies offers pre-packaged, school supply kits filled with the exact supplies requested by your child's teachers for the 2019-2020 school year. Kits are offered per grade level and will be delivered to Atlantic Middle School prior to the start of the school year labeled with your child's name. These kits are a cost-effective and convenient way of purchasing back-to-school supplies.

Please note that for the 2019-2020 school year, Atlantic Middle School has decided to color-code notebooks and binders for each subject. For example, notebooks and binders for all science classes (grades 6-8) will be green. We are doing this school-wide in order to help all students get – and stay – organized.

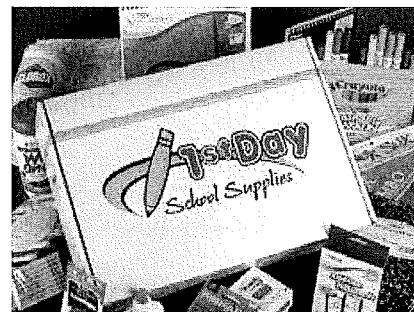

As always, you can certainly shop for your own supplies with the grade-specific lists we provide. The link to purchase supplies for next year is [www.1stDaySchoolSupplies.com](http://www.1stDaySchoolSupplies.com). The order deadline is June 30, 2019.

This is a great way to have your child start the school year prepared, and it may even give you some extra beach time before the school year starts!

Please feel free to reach out with any questions.

Regards,

Aliza A. Schneller  
Acting Principal  
Atlantic Middle School
