**QUINCY ANIMAL
SHELTER**

Quincy Animal Shelter is not for profit and all-volunteer led NO Kill Animal Shelter, dedicated to the Rescue and Adoption of abandoned dogs and cats from the local community and beyond. There are multiple ways to help us help our animals. There are age and insurance restrictions for many of the daily hands on activities within the shelter. Below is a brief list of ways students can help us. We hope that this inspires you. We welcome new ideas as well as:
1. Volunteering at our Annual Fund Raisers. Cause 4 Paws, held the third Sunday of October at DCR's Squantum Point Park, is a great way to help us. You can work in teams and individually. Keep a look out for a sign up sheet. We welcome any type of creative support in preparing for the event day. Creative ability is welcome helping with Flyers and posters photography- you name it. You are even welcome to set up a high school booth at our family friendly event.
2. It costs a lot of money to care for our animals. Individual fundraising activities are always welcome.
3. We welcome any CREATIVE projects where you can make something to beautify our space or events: Metal Shop Art or Graphics design support for flyers and promotions. Even new outfits for our mascots through the fashion design program. We are happy to work with you to find a project that matches your skills and our needs
4. Help us spread our mission to rescue and Adopt as an option for pet ownership.
Visit the Quincy Animal Shelter website for details.

Quincy Art Association

**Quincy Art Association Presents:
Annual ArtsFest
September 17 (10 to 5) and September 18 (10 to 4), 2016.
