**\*See Individual Student Education Plans or 504 Plans for modification where applicable.**

**HOMEWORK EXPECTATIONS:**

Math homework is generally assigned every evening (including Fridays). Assignments are expected to be passed in on time and finished completely. Homework is evaluated based on completion and effort, not accuracy. Incomplete or missing assignments must be finished after school (in room 210) on the day that the assignment is due. After that time, no credit will be given for the assignment.

**GRADING POLICY:**

Grading will be based on homework (2 points each), quizzes (5-10 points each), tests (10-20 points each), projects (10–20 points), and classroom performance/participation.

\* Please note that poor attendance could negatively affect all of the above grades.

**MAKEUP PROCEDURE:**

If a student is absent from school, it is his/her responsibility to see Mr. Daley upon return to school for any missed assignments and homework. Missed homework assignments are expected to be passed in on the day after the student returns to school. Missed tests or quizzes are expected to be made up on the day after the student returns to school (either before school or after school). Individual arrangements will be made for students who are absent for an extended period of time.

**GENERAL INFORMATION / MATERIALS:**

The following items should be brought to class every day:

Math textbook  
Math folder  
Math Notebook  
Agenda book  
Pencils, erasers, a highlighter, and dry erase marker.

**Adjustments may be made to this syllabus to meet students' needs. If adjustments are made to this syllabus during the school year, parents/guardians will be notified and a new syllabus will be distributed.**
