MAKE-UP PROCEDURE

If a student is absent, it is the responsibility of the student to see me to find out what he or she has missed. Arrangements will be made on an individual basis as to when missed tests can be taken. Make-up work is to be done in a reasonable amount of time based on the length of absence.

DAILY REQUIRED MATERIALS

Each student is responsible for bringing a 3-Ring Binder (1½ in), a calculator, a writing instrument (it is recommended to bring a backup writing instrument) each day. It should also be pointed out that every student needs to bring his/her agenda to every class, as it is utilized as their bathroom/nurse pass. Each student is responsible for accessing ASPEN each day. Daily lessons, assignments and announcements will be posted.
