

Point Webster Middle School

9th Annual STEM Fair

THURSDAY, APRIL 5TH

AUDITORIUM

5:30 – 7:00 PM

GRADE 8

Identify, research, hypothesize, experiment, observe, record, and reason!
Come see the amazing projects presented by our eighth grade students for the 2018 9th annual STEM Fair. Whether individually or with a partner students have worked diligently to present a remarkable scientific experience for all.

Please join us for a wonderful showcase of intellect, creativity, inquiry, talent, and dedication from the remarkable students of Point Webster Middle School!
