**THURSDAY, MARCH 28<sup>TH</sup>**

**AUDITORIUM**

**5:30 – 7:00 PM**

**GRADE 8**

Identify, research, hypothesize, experiment, observe, record, and reason!  
Come see the amazing projects presented by our eighth grade students as well as our grade six and grade seven advanced science students for the 2019 - 10th annual STEM Fair. Whether individually or with a partner students have worked diligently to present a remarkable scientific experience for all.

Please join us for a wonderful showcase of intellect, creativity, inquiry, talent, and dedication from the remarkable students of Point Webster Middle School.
